

K-LOVE is one of only a couple of Contemporary Christian stations that we receive in our area. There are so many other types of stations, but K-LOVE has been my choice (and others) for quite some time. K-LOVE provides inspiring and uplifting music for today's Christian. I believe that it is in the public's best interest to have choices of what to listen to and K-LOVE should continue to be one of those choices. The public needs something POSITIVE in their lives.
